

RALF ALFON M. BAUYA

**Data Scientist, Bioinformatics Scientist,
Genetic Engineer, Business Intelligence
Analyst**

“Turning spontaneous data into Viable insights to Feasible solutions.”

**Programming &
Software Development**

**Biostatistics & Machine
Learning**

**Genomics & Molecular
Biology**

**Passion for Precision
Medicine & Health
Innovation**

**High-Throughput Data
Analysis (NGS)**

**Cross-Disciplinary
Collaboration**

2026

Current Status:
2nd Year Data
Science
Student, and
building
foundational
skills

2027

Status: 3rd Year
Data Science
Student and
Gathering
Credentials

2028

Status: 4th Year /
Graduating
Student and
advance pipeline
Development

2029

Status: Junior
Bioinformatician
/ Master's
Student and
Data Integration
& NGS

2030

Status:
Autonomous
Bioinformatics
Scientist
